## Cub Scouts Offer Christmas Help

The Cub Scouts are doing their part to help someone at Christmas. They are collecting Golden Flake potato chip bags to bid on a bicycle for a child in Elba for Christmas. They ask that bags be saved and turned in to a Cub Scout or left at the Elba Elementary School in a special box by December 15, 1975. Also the Scouts are helping the Pilot Club with their "Toys for Christmas" project. These toys may be left at the Police Department for repair, or call Mrs. Edward Sullivan at 897-5316, or one of the Scouts.

**CUB SCOUT PARENTS AND LEADERS ATTEND BANQUET**  
Recently the Menawa District of Cub Scout leaders consisting of Covington, Coffee and Geneva Counties held a banquet for Scout leaders and parents at MacArthur Technical College in Opp. Thirty parents and leaders from Elba attended. Cubmaster Bill Bruce was recognized for his efforts in forming and leading the Cub Scouts in Elba.

## AUSA To Hold Quarterly Meet

The Bogardus S. Cairns Chapter of the Association of the United States Army (AUSA) will hold its quarterly membership meeting on December 4 at the Ft. Rucker Officers' Open Mess. Under-Secretary of the Army, Norman Augustine, will be the guest speaker. The social hour will begin at 6:30, followed by dinner at 7:30 p.m. Music will be provided by the 98th Army Band and a performance will be presented by the George C. Wallace Community College Madrigal Choir.

## Legion Sets Party Date

The American Legion and Auxiliary will have its annual Christmas Party at the Legion Home on the Troy Highway Tuesday, December 2nd at 7:00 p.m. Members are requested to bring a small gift for the veterans in hospitals and the children to bring a gift for Santa who will be present. The traditional turkey dinner will be served, and visitors from the State Department will be present.

## County Pond Stocked With More Catfish

Foy Phelps, manager of the Coffee County Lake, has announced that the state has stocked the lake with approximately 900 channel catfish.

## One Car Crash Kills Driver

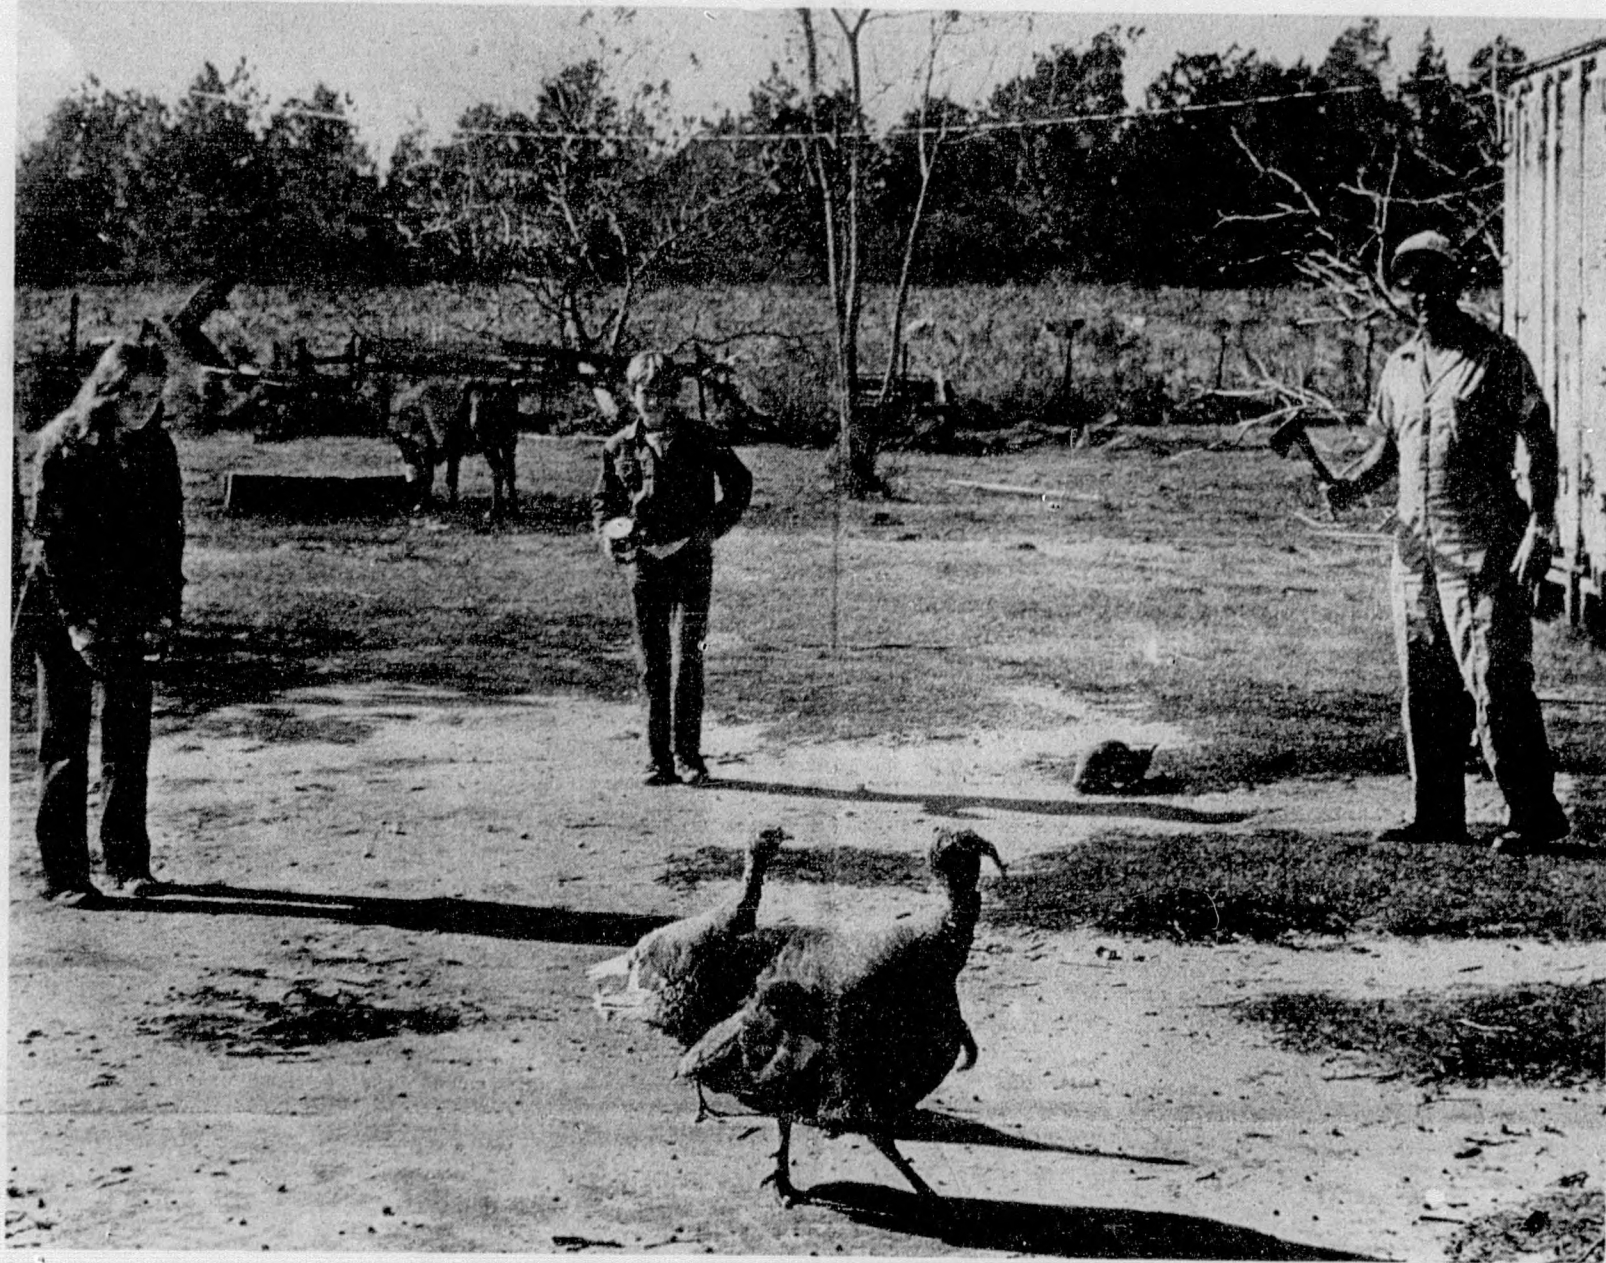

Elwyn Dow Stricklin died Friday night of injuries received in a one-car accident on the highway. The accident happened about 7:00 p.m. while the victim was in the city limits, south of Elba on the Old Samson Road. Stricklin, age 21, of Brantley, Rt. 2, was traveling alone when his car left the road, struck an embankment, over-vestigating officers at the scene had to search for several minutes before they found the victim, who was in the ditch several feet from the wreckage of the car. They continued to search the area for other possible victims as the wreckage was moved, but later determined Stricklin was apparently alone. turned throwing him out. Investigating officers reported that from the evidence at the scene, he was apparently traveling at a high rate of speed. Stricklin was rushed to the Elba General Hospital by the Elba Rescue Squad, where doctors worked with him for about 45 minutes before he died. It was a dark night and in-

## First Catch Your Bird.....

Turkeys are associated with Thanksgiving, dating back to the days the pilgrims celebrated the first Thanksgiving. In the above picture, Preston Kelly, Jr. of Rt. 3, Elba, and two of his children enact a

family trying to put a big gobble on the dinner table Thursday. Mr. Kelly stands ready with his trusty hatchet, 16-year-old Pam tries to coax Tom in with bread while 11-year-old Mark holds the salt

box at ready, having heard that you can catch a bird if you sprinkle salt on his tail. This time Ole Tom survived, mostly because he really is a family pet. However, with him strutting around every day and his

## Sara Sharpless

### Appointed Co-ordinator

Mrs. Sara Sharpless has been appointed Coordinator of Title IX for the Elba City Schools. Title IX states that "No person shall be denied employment, be excluded participation in, be denied the benefits of, or subjected to discrimination in any program or activity, on the basis of sex, race, religion, belief, national origin or ethnic group." Any complaints pertaining to any of the above situations, such as educational opportunities, working conditions, etc., may be taken to Mrs. Sharpless. The aggrieved person may have anyone he or she desires to accompany him/her to the conference. Grievances of employees and students shall be kept as informal and confidential as may be appropriate at all levels of procedures. Mrs. Sharpless is located in the office of the superintendent at 312 Collier Street, phone 897-2801.

## Sawyer Is Leadership Winner

Probate Judge James L. Sawyer was named Coffee County's 1975 Leadership Award Winner last week at Auburn University. Judge Sawyer has served Coffee County for a number of years as Tax Collector, and for the past six years as the County Probate Judge. He was cited for his leadership in promoting, agriculture, home economics, 4-H Club work and rural development in Coffee County. Judge Sawyer, along with other county leadership winners, will be honored at a district Resource and Leadership Development awards meeting on December 10 at Auburn University in Montgomery.

## Beta Club To Hold Rummage Sale

The Elba High School Beta Club will hold a rummage sale Saturday, December 6. It will be held from 9:00 until 2:00 on the square. All proceeds will go toward the club's projects.

## Mrs. King Recognized By March Of Dimes

The March of Dimes Certificate of Appreciation was awarded to Janet King by Oscar Vaughan, Jr. in behalf of Chairman David Mathews in recognition of her generous and outstanding service in helping the National Foundation of March of Dimes to achieve its goal. Her contributions will assist in the prevention of birth defects and their disabling effects; and support of the Salk Institute for Biological Studies.

### CUTEST COUPLE

### Something To Look Forward To

Happiness in marriage is not something that just happens. A good marriage must be created. In the art of marriage, the little things are the big things... it is never being too good to hold hands. It is remembering to say "I Love You," at least once a day. It is never going to bed angry. It is at no time taking the other for granted; the courtship shouldn't end with the honeymoon, it should continue through all the years.

It is doing things for each other, not in the attitude of duty or sacrifice, but in the spirit of love and joy.

It is speaking words of appreciation and demonstration.

### Varsity Basketball Players

There are four returners on the Elba Basketball team this year. They are David Smith, Teddy Barnes, Gavin Ellis, and Larry Phillips. The other members are Syvester Goosby, Will Martin, James Smith, Terry Barnes, Win Westbrook, Jimmy Marson, Willie Lowe and James Ray Daniels. The managers are Kevin Belcher and Bradshaw. Coach Daughtry stated, "I'm well pleased with the work the players have been doing. They are well-balanced and we have extra strength on the bench, something we haven't been having. I'm looking forward to a successful season." There was good attendance at the Elba Tip-Off Tournament last week so all of you please continue to support the players throughout the season.

### BICENTENNIAL SPOTLIGHT

By Brenda Oglesby

In the summer 1540, the first European to brave the wilderness came to an area along the Coosa River. Hernando Desoto and his troops found thriving Indians and met with their chiefs on the Alabama near the place now called Ft. Toulouse. Ft. Toulouse was constructed in 1717 by Frenchmen led by Bienville as a fortress for the Alabama River. The logs used to build the fort weighed 400 pounds each. Not more than 250 years later the fort is being rebuilt with logs weighing the same.

### What If.....

Stan had straight hair? The boys had to dance in P.E.? There wasn't a short order line? We went to school for three hours a day? The girls lifted weights in P.E.? There wasn't a senior class? ### SENIOR OF THE WEEK

Dennis Sasser, son of Mr. and Mrs. John Sasser, has been chosen by Mr. Foley, as our Senior of the Week. Dennis is interested in work and his hobbies are camping, fishing and hunting. Dennis is taking American Lit., Modern Drama and V.I.E. this year. He is a member of the V.I.C.A. Dennis thinks E.H.S. is the greatest school there is but when it comes to improving the school, Dennis would like to see more school spirit and a cleaner campus. After graduating from Elba High, Dennis plans to attend college.

Two-faced people turn Dennis off. Dennis is an active participant in Royal Ambassadors at the New Haven Baptist Church.

Good luck to you, Dennis.

### PREP CAGE SEASON OPENS

While the state football playoffs are entering their final stages, the prep basketball season is just tipping off. The 1975-76 high school basketball season begins on a state-wide basis this week. With all the county schools hitting the "hardwood courts."

Elba opened the season last week and emerged with a 1-1 record. The Tigers looked surprisingly good in their loss to New Brockton and completely overhauled a solid Troy team to claim their initial win of the campaign. The Tigers lack the height to be a state-contender, but I feel they have a good shot at posting a winning season.

New Brockton also opened up last week and came out with a 2-1 slate. The highly-touted Gamecocks chalked up wins over Elba and Greenville but were upset by Red Level. The season has just started, but the Gamecocks don't appear to be as strong as last year's state tourney participants. New Brockton has exceptional height in Billy Edwards, 6-7, Frederick Pruitt, 6-4, James Edwards, 6-4, and Ray Charles McClain, 6-3, and poses a "cat-in-the-hat" guard in Frank Smith.

The Gamecocks have an excellent coach in Hank Kennedy and I'm sure that his cagers will improve greatly as the season progresses.

Zion Chapel opens up this week and the Rebels appear to have the nucleus of another winning team. Z. C. returns two starters in Tim Sanders and Randolph Moultrie, and should be aided by seniors Tracy Deal and Willie "Jet" Moultrie. A newcomer who will be catching a lot of attention will be Rayvon Boyd, who averaged over 35 points a game last season at New Hope.

Kinston is facing a rebuilding year under new coach Pete Kelley, while Enterprise looks competitive, but weak when you consider the Wildcats are a 4A school.

### STILL NO COACH HIRED AT EHS

As of early this week Elba High School still hasn't hired a head football coach for the upcoming season.

In a recent telephone interview with Elmer Taylor, the Superintendent of Education, he reported that two coaches have contacted the school about the position, but no decision has been made.

Last Friday, Mac Champion was at the school and talked with Mr. Taylor, principal Lamar Foley and an unidentified board member. The CLIPPER learned that Champion's visit was to look over the school and to see about the job. However, the current Homewood coach made no commitments about taking the job nor was he offered the job during the visit.

Champion has coached at Hayneville, Lowndes Academy, Monroe Academy and completed his first season at Homewood last season. During his coaching career, Champion has a personal record of over 150 wins.

Mr. Taylor added that one other coach has contacted the school, but declined to give his name.

Personally, I hope Elba High School officials will hire the best available man for the job and will hire him before mid-term in January.

### PLAYOFF PICKINS

The playoffs have baffled my crystal ball thus far, so for this week I turned it off and I'll venture to make my own picks. Here goes!

**HUEYTOWN-DOTHAN** Hueytown upset West End last week but the boys from south Alabama will prove to be tough. I'll pick the Tigers in a thriller.

**DOTHAN 10 Hueytown 8**

**LANETT-ANDALUSIA** Andy was very impressive last week but Lanett has a tough team. I'm picking the Dogs to roar into the final!

**ANDY 14 Lanett 6**

**SWEET WATER-CLIO** The Yellow Jackets have somehow managed to slip into the semifinals. This week they'll get caught!

**Sweet Water 21 Clio 8**

**AUBURN-ALABAMA** The crystal ball didn't have a collegiate champion. Bama has been going backwards, but they should have enough left to dump Auburn!

**Alabama 24 Auburn 10**

### Tigers Claim Consolation Honors

The Elba Tigers bounced back from an opening round 47-31 loss to New Brockton, to defeat Troy 55-46, and claim third place in the Elba Tip-Off Basketball Tournament.

The Tigers: Teddy Barnes was honored by being named to the all-tourney team.

**NEW BROCKTON 47-31**

New Brockton upset big second and fourth quarter scoring spree to dump Elba 47-31.

The Tigers came out playing tough defensively, and trailed the highly-favored Gamecocks only 6-4 after one quarter.

The Gamecocks adjusted to the Elba defense in the second period and pulled away to a 20-11 halftime lead. The New Brockton rally was paced by senior guard Frank Smith, who tossed in 8 points in the second stanza.

New Brockton threatened to blow the locals off the court in the second half, but Elba refused to fold and despite losing 47-31, made a good season-opening performance.

### Red Level Wins Tipoff Tourney

The Red Level Tigers rallied to overcome a 7-point deficit early in the final quarter to upset New Brockton 46-44, and win the Elba Tip-Off Basketball Tournament.

The Gamecocks outscored the Tigers in each of the opening three quarters to take a 35-28 lead into the final stanza, but Red Level rallied behind the hot-hand of Lamar Belcher to claim the win.

### NAIA District 27

### Team Announced

An explosive offense and experienced defense highlight this year's all-NAIA District 27 football team.

Jacksonville State University, Troy State University and Livingston University dominated the 22-man team released by district public relations director Gary Stogner.

Livingston coach Jim King, was named the district "Coach of the Year."

Ten players repeated as all-district selections from last year's team and heading up that list is Troy State quarterback Bobby Lee.

Lee, a senior, completed 87 of 166 passes this season for 1,378 yards and eight touchdowns.

Joining Lee in the offensive backfield are Jacksonville State senior Billy Dixon and Alabama State running back Ike Grant, also a senior. Troy State's versatile Perry Griggs was named as the all-district flanker.

Lee's receivers on the team include Troy State sophomore tight end Andy Dixon and Steve Shelton, end from Alabama State.

Interior linemen include senior tackles Calvin Word of Jacksonville State and Bill Lathier of Troy State, senior guards Ronnie Holmes of Troy State and Tony Holmes of Livingston.

Teddy Saez, a senior from Livingston, was picked as the offensive center.

Jacksonville State players picked for the defensive team include Linemen Henry Studvick, John Beasley, linebacker Gary Wagner and backs Lefty Perry and Jay Graham.

Livingston's Stanley King, a sophomore, highlighted the defensive stars as the Tiger safety who intercepted nine passes this season. Lineman Frank Rudowski and Jerry Pitts were other Livingston players named to the defensive unit.

Troy State had two men named to the defensive team — junior — Lineman Charles Pickett and sophomore line-backer Rick Mackey.

Alabama State's Gregory Allen, joined TSU's Mackey and Jacksonville's Wagner at the all-district kicking specialist.

Players who repeated as members of the 1974 all-district team included TSU's Griggs, Haman, Lee, Pickett, Jacksonville's Word, Hobson, Student: LU's Saez, and Alabama State's Allen.

### TSU OPENS CAGE SEASON FRIDAY

Wes Bizzila isn't looking for any miracles, only some good performances.

Bizzila sends his Troy State University basketball team into action for the first time Friday (Nov. 27) and the third-year Trojan coach is concerned.

"Our schedule is tougher, the teams are bigger and we haven't looked too good since recently," Bizzila moans.

"We've looked ragged during this last week. A week before you open the season, a team is supposed to look polished."

The Trojans met LaGrange College in Dothan's Civic Center Friday for the initial test of the 1975-76 season.

Bizzila welcomes back everyone from last year's 18-8 team that finished third in the final Gulf South Conference standings.

"By looking at our team, some people would figure it would take a miracle for us to win," Bizzila said.

"Sure we're small, but more enters into the game of basketball than height."

A year ago, TSU fielded the smallest team in the GSC, and the Trojans will win that dubious honor again this season.

Sales, a 6-3 sophomore from Decatur, earned league player of the year honors last season. He shot 64 per cent from the field, averaged 13.5 rebounds and 18.6 points per game.

### TO ROLL

ANDALUSIA-LANETT

Andy looked awesome last Friday against defending 3-A Champs Lanett. Andy's only weakness seems to be their pass defense. Lanett is ground oriented and doesn't have much of a passing attack. The Panthers will give Andy a tough battle but the Bulldogs will survive.

### ANDY 20 LANETT 17

**DOTHAN-HUEYTOWN**

Hueytown is riding high after their upset of previously unbeaten West Dothan has come through again with a year ending surge. Dothan's defense makes this a rout.

**DOTHAN 24 - HUEYTOWN 0**

This weeks Alabama-Auburn clash doesn't have the glamour of past years but it will have the excitement of all Iron Bowl games. Neither team has been impressive as of late both teams have excellent kick coverage. Alabama will win because of their defense.

### New Hope Cagers Expect Another Banner Year

Despite losing the top junior high basketball player, in the state due to graduation, New Hope Junior High School basketball coach Charles Cole declares that "we'll have a better team this year than we did last year."

Last year's Eagles posted a 15-2 record, and won the Coffee County Junior High Conference championship. The 1974-75 New Hope cagers were led by Rayvon Boyd, who received nationwide acclaim for scoring 71 points in one game. Boyd averaged 35.6 points per game last season and almost single-handedly won a number of games. However, this year Boyd is attending Zion Chapel High School and for the first time in three years the Eagles must enter the season without their "hardcourt whiz."

The newcomer is Wayne Cole, the mentor said that although he is expecting to field a better team, "we might not be able to match the 15-2 record we posted last season."

### TSU OPENS CAGE SEASON FRIDAY

Wes Bizzila isn't looking for any miracles, only some good performances.

Bizzila sends his Troy State University basketball team into action for the first time Friday (Nov. 27) and the third-year Trojan coach is concerned.

"Our schedule is tougher, the teams are bigger and we haven't looked too good since recently," Bizzila moans.

"We've looked ragged during this last week. A week before you open the season, a team is supposed to look polished."

The Trojans met LaGrange College in Dothan's Civic Center Friday for the initial test of the 1975-76 season.

Bizzila welcomes back everyone from last year's 18-8 team that finished third in the final Gulf South Conference standings.

"By looking at our team, some people would figure it would take a miracle for us to win," Bizzila said.

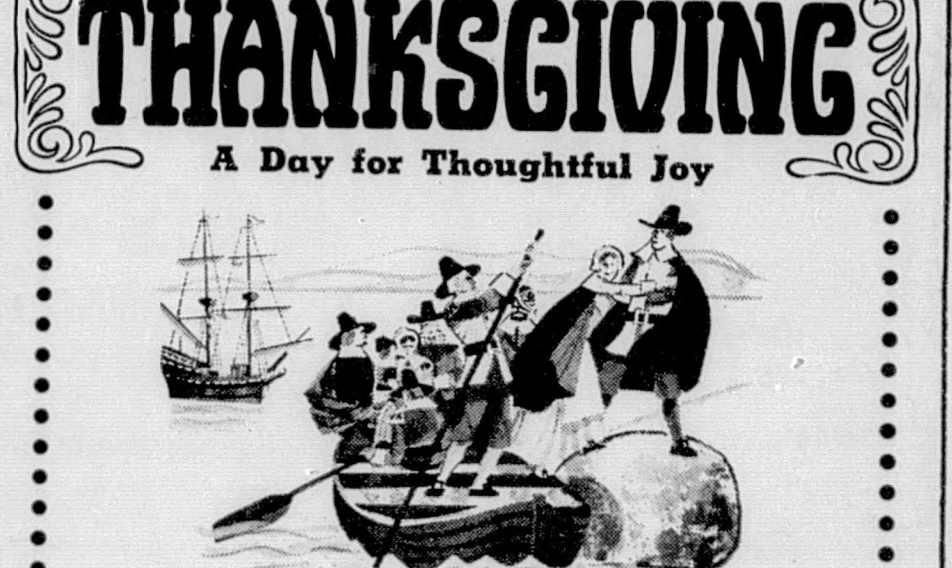

"Sure we're small, but more enters into the game of basketball than height."

A year ago, TSU fielded the smallest team in the GSC, and the Trojans will win that dubious honor again this season.

Sales, a 6-3 sophomore from Decatur, earned league player of the year honors last season. He shot 64 per cent from the field, averaged 13.5 rebounds and 18.6 points per game.

### THANKSGIVING

A Day for Thoughtful Joy

Plymouth Rock, December 1690. A brave group of voyagers stepped ashore to begin a life of freedom. We give thanks for their undaunted courage.

**PREPARE TURKEY**  
Thanksgiving is just around the corner, and families will be sitting down to a turkey dinner with all the trimmings. Preparing a turkey dinner requires extra attention to food safety so that food-borne illnesses can be avoided.

Special care should be taken when defrosting a turkey. Thawing time varies widely, depending mostly on the size of the bird and the method used.

Thawing at room temperature, unwrapped, isn't recommended because of the possibility of contamination. Instead, thaw the bird in the refrigerator in its original

cooking of these perishable parts is a good idea. As soon as possible after serving the bird, remove all of the stuffing and the meat from the bones. Cool stuffing, meat and gravy promptly. Refrigerate each, wrapped separately, use gravy and stuffing within three to four days and turkey meat within two to three days. You can freeze cooked turkey for up to one month.

**COLORED PINE CONES AND LOGS**  
You can add a festive touch of color to your fire by burning pine cones which have been treated to burn in different colors. All you have to do is mix a few chemicals together. If you would like specific directions on how to color pine cones or logs, please call my office 894-5576 and I'll be happy to mail them to you.

You can store chilled turkeys on ice for up to two days in the coldest part of the refrigerator. Make sure any wrappings are loose enough to allow some air circulation. It is recommended that you remove giblets and wrap and store them separately. Prompt

to water plants in winter. Just because the weather is cold doesn't mean plants don't need moisture, particularly newly-planted shrubs and trees. If the rainfall is short, it's a good idea to water plants more often in winter. And sandy soils need more frequent watering than silty or clayey soils. Apply water slowly letting the hose dribble water around the plant for several hours to be sure it soaks into the soil and doesn't run off. A hose dripping water at the rate of one gallon a minute, applied to 1000 square feet of soil surface, must continue for 10.5 hours to equal one inch of water added to the soil. One inch of water will keep soil moist 5 to 15 days, depending upon temperatures, wind and soil type.

Make sure to apply enough water to soak the root zone thoroughly — 4 to 6 inches deep each time. Dig down into the soil and check how deep it is wet to make sure.

Remember, applying water to plants in late afternoon will keep the roots warmer. The heat from the water moderates cold temperatures.

**CLEAN DISPOSERS**  
Lye or chemical drain cleaning products can damage your garbage disposer. So don't use commercial drain cleaners in drains that contain disposers.

Disposers really don't need to be cleaned at all. They are permanently lubricated and self-cleaning if used regularly. But occasionally, it helps to fill the sink half full of water and let the water drain out all at once to completely flush the line.

Many manufacturers of disposers state that use of lye or chemical drain cleaners will void the warranty of their disposer. But, if you have a double sink, you can use a commercial cleaning product in the other drain.

**COFFEE**  
The program will begin each night at 7:00. We will have a 15-minute break around 2:00 and dismiss about 9:00. The specialists will be available during the night as long as necessary.

We have planned this series of meetings on December 2, 4 and 6 to help Coffee County farmers do a better job in income tax management, farm management and estate planning. We extend a cordial invitation to Coffee County farmers and townspersons to attend these meetings.

On December 2, Mr. Maddox will discuss how to file farm income taxes. On the 4th he will discuss farm financial management including enterprise selection and basic farm planning. On December 6, Mr. Julian Holmes will lead a discussion on estate planning. The estate planning meeting is primarily for farmers, but everyone is welcome to this session.

We have planned this series of meetings on December 2, 4 and 6 to help Coffee County farmers do a better job in income tax management, farm management and estate planning. We extend a cordial invitation to Coffee County farmers and townspersons to attend these meetings.

On December 2, Mr. Maddox will discuss how to file farm income taxes. On the 4th he will discuss farm financial management including enterprise selection and basic farm planning. On December 6, Mr. Julian Holmes will lead a discussion on estate planning. The estate planning meeting is primarily for farmers, but everyone is welcome to this session.

**COFFEE**  
The program will begin each night at 7:00. We will have a 15-minute break around 2:00 and dismiss about 9:00. The specialists will be available during the night as long as necessary.

**DANIEL 3:15** - "Now, if ye be ready that at what time ye hear the sound of the cornet, flute, harp, sackbut, psaltery, and dulcimer, and all kinds of music, ye fall down and worship the image which I have made, well; but if ye would not do so, ye shall be cast the same hour into the midst of a burning fire furnace; and who is that God that shall deliver you out of my hands?"

This is the story of the three boys who were thrown into the furnace for refusing to worship the golden image. The story is a powerful reminder of the importance of faith and the power of God.

**State Director Will Speak To GA's**  
An associational meeting for all Girls in Action (GA) of the Coffee County Baptist Association and their leaders will be held Sunday, December 7, at the Fellowship Hall of the First Baptist Church.

Miss Cathleen Lewis, State Director from Montgomery will be the guest speaker. Those who attend are asked to wear their GA pins, jackets and mission adventures collars.

The mission action project for the meeting will include the donations of items for missionaries to use at the Baptist Center in Montgomery. GA's who would like to participate in this project are asked to bring one of the following: school age socks for boys or girls, shoe laces (black or brown), white shoe laces, shoe polish, scarves for elderly people and walking canes.
